## Work Experience

---

*Employment:*

Upwork *freelancing*

Juni – 2019: September – 2020

[upwork.com](https://www.upwork.com)

### Web Designer

I've worked for a while at Upwork as a web designer.

#### Highlights

Ended all my tasks up with happy clients.

Learned some additional communication skills.

Achieved some progress in backend technologies, Because I needed it to finish some projects.

Became aware of UI & UX more than the beginning.
